

Have you been a victim of a violent crime?

WE CAN HELP.

We understand that being a victim of a violent crime can make you feel a wide arrange of emotions, and without any help dealing with all of these emotions can leave you frustrated or helpless.

A Violent Crimes Advocate can help guide you through the criminal justice system, provide support, and offer our services free of charge and confidential.

- **Safety Planning**
- **Financial Assistance**
- **Criminal Justice Support**
- **Crime Scene Coordination**
- **Referral to community agencies who may provide help**
- **Assistance in filing a Victim Compensation claim**
